ꕥ STORY ꕥ

THE ADDAMS FAMILY, a comical feast that embraces the wackiness in every family, features an original story and it is every father's nightmare: Wednesday Addams, the ultimate princess of darkness, has grown up and fallen in love with a sweet, smart young man from a respectable family – a man her parents have never met. And if that wasn't upsetting enough, Wednesday confides in her father and begs him not to tell her mother. Now, Gomez Addams must do something he's never done before – keep a secret from his beloved wife, Morticia. Everything will change for the whole family on the fateful night they host a dinner for Wednesday's "normal" boyfriend and his parents.

ꕥ LIGHTING EFFECTS ꕥ

Please be aware that strobe lighting and other intense lighting is used during the show. Exposure to strobing lights may cause dizziness, disorientation, and nausea. A very small percentage of people suffer from photosensitive epilepsy and may experience seizures or blackouts triggered by strobing lights.
