Beauty and the Beast JR. tells the story of Belle, an adventurous young girl, and the Beast, her hideous captor who is actually a young prince trapped under a spell. In order to break the spell, the Beast must learn to love another and earn her love in return – before time runs out. With the help of the castle's enchanted staff, including a loving teapot, a charming candelabra, and a nervous mantel clock, Belle and the Beast find a beautiful friendship and love that neither knew was possible. Beauty and the Beast JR. features classic songs from the Academy Award®-winning film score such as "Be Our Guest" and "Belle," as well as original songs from the 1994 Tony®-nominated Broadway musical.
